

Appln No.: 10/644,640
Amendment Dated: February 2, 2006
Reply to Office Action of November 10, 2005

REMARKS/ARGUMENTS

This is in response to the Office Action mailed November 10, 2005 for the above-captioned application. In the Office Action, the Examiner states that Applicants' arguments are convincing to the extent that the claims are directed to phosphite stabilizers. (Page 5). In view of this indication, the claims have been amended to refer to phosphite stabilizers rather than phosphite or phosphonite stabilizers. This amendment is believed to place the application in form for allowance and such action is respectfully requested.

Respectfully submitted,

Marina T. Larson, Ph.D
